Item 11 Disclosure Information

In this Item, we ask for information about your disciplinary history and the disciplinary history of all your *advisory affiliates*. We use this information to determine whether to grant your application for registration, to decide whether to revoke your registration or to place limitations on your activities as an investment adviser, and to identify potential problem areas to focus on during our on-site examinations. One event may result in "yes" answers to more than one of the questions below. In accordance with General Instruction 5 to Form ADV, "you" and "your" include the *filing adviser* and all *relying advisers* under an *umbrella registration*.

Your *advisory affiliates* are: (1) all of your current *employees* (other than *employees* performing only clerical, administrative, support or similar functions); (2) all of your officers, partners, or directors (or any *person* performing similar functions); and (3) all *persons* directly or indirectly *controlling* you or *controlled* by you. If you are a "separately identifiable department or division" (SID) of a bank, see the Glossary of Terms to determine who your *advisory affiliates* are.

If you are registered or registering with the SEC or if you are an exempt reporting adviser, you may limit your disclosure of any event listed in Item 11 to ten years following the date of the event. If you are registered or registering with a state, you must respond to the questions as posed; you may, therefore, limit your disclosure to ten years following the date of an event only in responding to Items 11.A.(1), 11.A.(2), 11.B.(1), 11.B.(2), 11.D.(4), and 11.H.(1)(a). For purposes of calculating this ten-year period, the date of an event is the date the final order, judgment, or decree was entered, or the date any rights of appeal from preliminary orders, judgments, or decrees lapsed.

You must complete the appropriate Disclosure Reporting Page ("DRP") for "yes" answers to the questions in this Item 11.

Item 12 Small Businesses

The SEC is required by the Regulatory Flexibility Act to consider the effect of its regulations on small entities. In order to do this, we need to determine whether you meet the definition of "small business" or "small organization" under rule 0-7.

Answer this Item 12 only if you are registered or registering with the SEC **and** you indicated in response to Item 5.F.(2)(c) that you have regulatory assets under management of less than \$25 million. You are not required to answer this Item 12 if you are filing for initial registration as a state adviser, amending a current state registration, or switching from SEC to state registration.

For purposes of this Item 12 only:

- Total Assets refers to the total assets of a firm, rather than the assets managed on behalf of *clients*. In determining your or another *person's* total assets, you may use the total assets shown on a current balance sheet (but use total assets reported on a consolidated balance sheet with subsidiaries included, if that amount is larger).
- *Control* means the power to direct or cause the direction of the management or policies of a *person*, whether through ownership of securities, by contract, or otherwise. Any *person* that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of another *person* is presumed to *control* the other *person*.

Yes No

A. Did you have total assets of \$5 million or more on the last day of your most recent fiscal year? Yes No

If "yes," you do not need to answer Items 12.B. and 12.C.

- B. Do you:
- (1) *control* another investment adviser that had regulatory assets under management (calculated in response to Item 5.F.(2)(c) of Form ADV) of \$25 million or more on the last day of its most recent fiscal year? Yes No
- (2) *control* another *person* (other than a natural person) that had total assets of \$5 million or more on the last day of its most recent fiscal year? Yes No
- C. Are you:
- (1) *controlled* by or under common *control* with another investment adviser that had regulatory assets under management (calculated in response to Item 5.F.(2)(c) of Form ADV) of \$25 million or more on the last day of its most recent fiscal year? Yes No
- (2) *controlled* by or under common *control* with another *person* (other than a natural person) that had total assets of \$5 million or more on the last day of its most recent fiscal year? Yes No

Item 4 ADVISORY BUSINESS

ShankerValleau Wealth Advisors, Inc. is a SEC-registered investment adviser with its principal place of business located in Skokie, Illinois. ShankerValleau Wealth Advisors, Inc. began conducting business in January 1993.

Listed below are the firm's principal shareholders (i.e., those individuals and/or entities controlling 25% or more of this company).

- John D. Valleau, Jr., Principal
- Lawrence H. Shanker, Principal

ShankerValleau Wealth Advisors, Inc. (SV) sponsors a wrap fee program. A wrap fee program is an advisory program under which a specified fee or fees not based directly on transactions in the client's account is charged for advisory services, which includes portfolio management and the execution of client transactions.

SV sponsors and acts as the sole investment manager to the wrap fee program. SV manages assets for many different types of clients to help meet their financial goals while remaining sensitive to risk tolerance and time horizons. As a fiduciary it is SV's duty to always act in the client's best interest. SV does this by knowing the client, maintaining open lines of communication, and by working with clients to understand their investment objectives, while educating them about SV's process.

Please note, for certain non-discretionary employee benefit plans, SV maintains non-wrap fee accounts. As of 12/31/2022, these accounts comprise less than 2% of SV assets under management.

INVESTMENT SUPERVISORY SERVICES (“ISS”) INDIVIDUAL PORTFOLIO MANAGEMENT

SV provides continuous Wrap Advisory Services advice to each client regarding the investment of client funds based on the individual needs of the client. Through personal discussions with the client, goals and objectives based on a client's particular circumstances are established, including the client's time horizon, and such items as education funding, home purchase, retirement, and legacy planning. We then develop a client's personal investment goals and create and manage a portfolio based on those goals. During our data-gathering process, we determine the client's individual objectives, risk tolerance, liquidity needs and, in some cases, other available resources (including external retirement plans, projected social security, outside investments, real estate, and insurance). Each client's financial objectives, risk tolerance, and liquidity needs, along with a recommended asset allocation, are incorporated into their ongoing investment strategy. As appropriate, we also review and discuss a client's prior investment history, as well as family composition and background.

SV's wrap fee program allows clients to pay a single fee for investment advisory services and associated custodial transaction costs. Custodians make other products and services available to SV.

SV has an incentive to recommend that a client participate in SV's wrap fee program and open account(s) with the custodian. SV believes that the recommendation to the wrap fee program, including the use of an independent custodian and broker, is in the best interests of those clients to whom SV recommends it. Recommendations are made based on (a) an assessment of client investment objectives, financial situation and all other relevant factors; as well as SV's investment plans and anticipated trading activity, and (b) the scope, quality, and price of the custodian's services.

SV manages program accounts on a discretionary basis except for certain employee benefit plans which we manage on a non-discretionary basis. Account supervision is guided by the client's stated goals as well as tax considerations.

Clients may impose reasonable restrictions on investing in certain types of asset classes.

SV's investment recommendations will primarily include advice regarding mutual fund shares, exchange traded fund shares, and may also include advice regarding:

FINANCIAL PLANNING

We offer financial planning services to our advisory clients. Financial planning is a comprehensive evaluation of a client's current and future financial state by using currently known variables to predict future cash flows, asset values and withdrawal plans. Through the financial planning process, all questions, information and analysis are considered as they impact the entire financial and life situation of the client. This service is included in the advisory fee paid by clients and there are no additional fees associated with this service.

In general, the financial plan can address any or all of the following areas:

- **PERSONAL:** We review family records, budgeting, personal liability, estate information and financial goals.

- **TAX & CASH FLOW:** We analyze the client's income tax and spending and planning

for past, current and future years.

- **INVESTMENTS:** We analyze investment alternatives and their effect on the client's portfolio.
- **INSURANCE:** We review existing policies to ensure proper coverage for life, health, disability, long-term care, liability, home and automobile.
- **RETIREMENT:** We analyze current strategies and investment plans to help the client achieve his or her retirement goals.
- **DEATH & DISABILITY:** We review the client's cash needs at death, income needs of surviving dependents, estate planning and disability income.
- **ESTATE:** We assist the client in assessing and developing long-term strategies, including as appropriate, living trusts, wills, review estate tax, powers of attorney, asset protection plans and nursing homes.

We gather required information through in-depth personal interviews. Information gathered includes the client's current financial status, tax status, future goals, return objectives and attitudes towards risk. We carefully review documents supplied by the client and prepare a written report. We work with the client to implement our recommendations and we suggest the client work closely with his/her attorney, accountant and insurance agent. Implementation of financial recommendations is entirely at the client's discretion.

We also provide general non-securities advice on topics that may include tax and budgetary planning, estate planning and business planning.

Financial Planning recommendations are not limited to any specific product or service offered by a broker-dealer or insurance company.

Item 5 FEES AND COMPENSATION

INVESTMENT SUPERVISORY SERVICES WRAP FEE PROGRAM INDIVIDUAL PORTFOLIO MANAGEMENT FEES

The annualized fee for Investment Supervisory Services will be charged as a percentage of assets under management, according to the following schedule:

	Assets Under Management	Annual Fee
First	\$2,000,000	1.00%
Next	\$2,000,000	.75%
Next	\$6,000,000	.50%
Next	\$10,000,0000 +	.25%

For all relationships under \$1 million our annual fee is 1.25%.

A minimum of \$1,000,000 of assets under management is generally required for this service. This account size may be negotiable under certain circumstances. For certain relationship platforms, minimums may vary. ShankerValleau Wealth Advisors, Inc. may group certain related client accounts for the purposes of achieving the minimum account size and determining the annualized fee.

Adviser charges an advisory fee on all assets held in a clients' account unless otherwise agreed upon in writing by the adviser and client.

Adviser reserves the right to pay authorized persons a portion of Client's fee in return for having referred such client to Adviser. In such instances, Adviser will inform Client of such an agreement prior to the establishment of an advisory relationship in accordance with the Investment Adviser Act of 1940.

Discounts, not generally available to our advisory clients, may be offered to nonprofit organizations, family members and employees of our firm.

GENERAL INFORMATION WRAP FEE PROGRAM

Services that are covered by the Program fees: The Program fees pay for the firm's advisory services to clients under the Program, the administrative expenses of the Program, and the trade execution charges for trades on the clients' assets held at the recommended Custodians.

Services that are not covered by the Program fees: The Program fees do not include the expenses associated with mutual funds, Exchange Traded Funds (such as fund management fees charged to each fund's investors), mark-ups, mark-downs, spreads paid to market makers, and/or odd-lot differential fees. SV does not retain any portion of these charges.

Other Fees and Expenses: Clients may incur charges from the Custodian for other account services provided not directly related to the execution and clearing of transactions, including, but not limited to interest charges on margin loans. SV does not retain any portion of these charges.

Additional Information about Program Fees: Under the Program, the participant receives investment advisory services, the execution of securities brokerage transactions, and reporting services for a single specified Program Fee. Clients are cautioned that depending on the fees charged by the executing broker-dealer, and the amount of portfolio activity in the clients' account, the value of the services provided

under this Program may exceed the total cost of such services had they been provided separately. In addition, the Program Fee may be higher or lower than that charged by other sponsors of comparable wrap fee programs. In as much as SV will pay the execution costs of securities transactions executed in Program client accounts, a disincentive exists to enter trades on behalf of Program participants. Further, the Custodian charges different execution costs for different but similar securities. While SV endeavors to always make investment decisions based on the needs of the client, it should be noted that an incentive exists to utilize lower execution cost funds.

Termination of the Advisory Relationship: A client agreement may be canceled at any time, by either party, for any reason upon written notice to the other party at its designated address. The Advisor's pro-rated management fee will be applied to the value of the account one business day prior to the date the assets are to be transferred. ShankerValleau Wealth Advisors, Inc. will not charge a termination fee.

Fund Fees: All fees paid to ShankerValleau Wealth Advisors, Inc. for investment advisory services are separate and distinct from the fees and expenses charged by mutual funds and exchange traded funds to their shareholders. These fees and expenses are described in each fund's prospectus. These fees will generally include a management fee, other fund expenses, and a possible distribution fee. If the fund also imposes sales charges, a client may pay an initial or deferred sales charge. ShankerValleau Wealth Advisors, Inc. generally invests in no-load mutual funds and exchange traded funds. Please note that ShankerValleau Wealth Advisors, Inc. may invest in mutual funds that require an approved registered investment adviser; therefore, any transfer of these funds may require a relationship with an investment adviser approved by the mutual fund.

Additional Fees and Expenses: Other than the advisory fee referenced above, ShankerValleau Wealth Advisors, Inc. does not charge advisory clients any additional fees for Investment Supervisory Services.

Grandfathering of Minimum Account Requirements: Pre-existing advisory clients are subject to ShankerValleau Wealth Advisors, Inc.'s minimum account requirements and advisory fees in effect at the time the client entered into the advisory relationship. Therefore, our firm's minimum account requirements will differ among clients.

ERISA Accounts: ShankerValleau Wealth Advisors, Inc. is deemed to be a fiduciary to advisory clients that are employee benefit plans or individual retirement accounts (IRAs) pursuant to the Employee Retirement Income and Securities Act ("ERISA"). As such, our firm is subject to specific duties and obligations under ERISA and the Internal Revenue Code that include among other things, restrictions concerning certain forms of compensation. To avoid engaging in prohibited transactions, ShankerValleau Wealth Advisors, Inc. may only charge fees for investment advice about products for which our firm and/or our related persons do not receive any commissions or 12b-1 fees.

Advisory Fees in General: Clients should note that similar advisory services may be available from other registered investment advisers for similar or lower fees.

Limited Trade Aggregation: SV may purchase or sell the same securities for several Program clients at approximately the same time. SV may combine such orders to improve transaction execution, or to allocate equitably among SV's Program client's

differences in prices or other transaction costs that might been obtained had such orders been placed independently. Under this procedure, transactions will generally be averaged as to price and allocated among SV's clients pro rata to the purchase and sale orders placed for each client on any given day. To the extent that SV determines to aggregate client orders for the purchase of sale of securities SV shall generally do so in accordance with applicable rules promulgated under the Advisers Act and no-action guidance provided by the staff of the U.S. Securities and Exchange Commission.

Limited Prepayment of Fees: Under no circumstances do we require or solicit payment of fees more than six months in advance of services rendered.

NON-DISCRETIONARY EMPLOYEE BENEFIT PLANS

For certain non-discretionary employee benefit plans, ShankerValleau maintains non-wrap fee accounts which are billed on a different basis. The following fee schedule applies only to certain non-discretionary employee benefit plans:

	Assets Under Management	Annual Fee	Annual Per Participant Fee
First	\$500,000	1.10%	\$39
Next	\$500,000	1.00%	\$39
Next	\$1,000,000	0.80%	\$29
Next	\$3,000,000	0.70%	\$29
Next	\$5,000,0000 +	Custom	Custom

Item 8 METHODS OF ANALYSIS, INVESTMENT STRATEGIES AND RISK OF LOSS

METHODS OF ANALYSIS AND INVESTMENT STRATEGIES

Our entire approach to investing is designed to provide you with the greatest likelihood of achieving your goals. We have learned that gain is rarely accomplished without taking a chance, but all risks do not provide a reliable reward. Financial science over the last fifty years has helped to identify the risks worth taking and the risks that are not.

Stock Investment Philosophy. We believe in the efficiency of capital markets. We understand that, at any given time, the price of a security reflects all of the available information in the marketplace. Thus trying to outperform the market is a futile task.

Instead, we capture risks that have been identified by scientific research that are most likely to provide a reliable reward and at minimal cost. We primarily use structured strategies designed by Dimensional Fund Advisors to accomplish these goals. These strategies involve considerable diversification not only in the amount of securities held but also in the range of capital markets utilized. Small capitalization strategies target smaller company stocks more consistently. Value strategies target value stocks with greater focus. As a result, you achieve a more consistent portfolio structure.

Investors are often surprised to learn how well they can do by simply capturing the returns the markets provide. Over the near-term markets are unpredictable yet over the long-term markets have posted surprisingly, predictable returns. Therefore, for those investors able to focus on the long-term, investing becomes more of a science than a gamble.

Bond Investment Philosophy. In addition to investing in stocks, through stock funds, we recommend that a portion of each portfolio be allocated to bonds, through bond funds. The bond portion of the portfolio serves as the portfolio's anchor by reducing volatility.

We do not believe that the risks in investing in either lower credit risk or in longer term obligations are worth the expected return. Also, we feel a diversified approach again, not only in the number of obligations but also in the range of markets included will further reduce risk.

Thus, our recommended bond portion of the portfolio generally consists of short-term and intermediate-term, high-quality, domestic and foreign bonds. We employ a lower risk bond strategy so you can take more risk in stocks, where expected returns are greater. Finally, the portfolio's stock and bond elements are then rebalanced quarterly to ensure adherence to your specific asset allocation goal.

Risk of Loss. Securities investments are not guaranteed, and you may lose money on your investments. We ask that you work with us to help us understand your liquidity needs and tolerance for risk.

Other Risks. Environmental, Social, Governance (“ESG”) Risk. ESG issues that companies face can vary significantly based on their industry, geographic location, and other factors. There is no one set of metrics that properly covers all ESG issues for all companies.

Portfolio rebalancing: Portfolio rebalancing represents an important risk-control strategy. A portfolio's asset allocation determines the portfolio's risk and return characteristics. The purpose of establishing an asset allocation strategy is to achieve target rates of return with acceptable levels of risk. Asset allocation is a risk management technique that mixes a wide variety of investments within a portfolio. Due to market fluctuations, a portfolio must be rebalanced according to the risk tolerance, time horizon, and financial goals of the individual client. SV monitors client portfolios carefully and rebalances portfolios on a quarterly basis. Additional factors SV will consider when implementing a rebalancing strategy include client preferences, and potential tax implications.

Margin transactions: For certain clients, SV may purchase securities for the portfolio with money borrowed from the brokerage account. This allows clients to purchase more securities than they would be able to with their available cash and allows SV to purchase securities without selling other holdings. The use of margin involves leverage and special risks. Accordingly, the use of margin requires specific approval on an account-by-account basis. Most clients will not participate in margin related activities.

Item 9 DISCIPLINARY INFORMATION

We are required to disclose any legal or disciplinary events that are material to a client's or prospective client's evaluation of our advisory business or the integrity of our management.

Our firm and our management personnel have no reportable disciplinary events to disclose.

Item 10 OTHER FINANCIAL INDUSTRY ACTIVITIES AND AFFILIATIONS

Management personnel of our firm are also shareholders in the accounting firm of ShankerValleau Accountants, Inc., where they are individually licensed and practicing Certified Public Accountants providing accounting services for separate and typical compensation.

ShankerValleau Accountants, Inc. typically recommends ShankerValleau Wealth Advisors, Inc. to accounting clients in need of advisory services. Conversely, ShankerValleau Wealth Advisors, Inc. typically recommends ShankerValleau Accountants, Inc. to advisory clients in need of accounting services. Accounting services provided by ShankerValleau Accountants, Inc. are separate and distinct from our advisory services, and are provided for separate and typical compensation. There are no referral fee arrangements between our firms for these recommendations. No ShankerValleau Wealth Advisors, Inc. client is obligated to use ShankerValleau Accountants, Inc. for any accounting services and conversely, no accounting client is

Item 11 CODE OF ETHICS, PARTICIPATION OR INTEREST IN CLIENT TRANSACTIONS AND PERSONAL TRADING

Our firm has adopted a Code of Ethics which sets forth high ethical standards of business conduct that we require of our employees, including compliance with applicable federal securities laws.

ShankerValleau Wealth Advisors, Inc. and our personnel owe a duty of loyalty, fairness and good faith towards our clients, and have an obligation to adhere not only to the specific provisions of the Code of Ethics but to the general principles that guide the Code.

ShankerValleau Wealth Advisors, Inc.'s Code of Ethics further includes the firm's policy prohibiting the use of material non-public information. While we do not believe that we have any particular access to non-public information, all employees are reminded that such information may not be used in a personal or professional capacity.

A copy of our Code of Ethics is available to our advisory clients and prospective clients. You may request a copy by email sent to jvalleau@shankervalleau.com, or by calling us at 847-475-2900.

ShankerValleau Wealth Advisors, Inc. and individuals associated with our firm are prohibited from engaging in principal transactions.

ShankerValleau Wealth Advisors, Inc. and individuals associated with our firm are prohibited from engaging in agency cross transactions.

Our Code of Ethics is designed to assure that the personal securities transactions, activities and interests of our employees will not interfere with (i) making decisions in the best interest of advisory clients and (ii) implementing such decisions while, at the same time, allowing employees to invest for their own accounts.

Our firm and/or individuals associated with our firm may buy or sell for their personal accounts securities identical to or different from those recommended to our clients. In addition, any related person(s) may have an interest or position in a certain security(ies) which may also be recommended to a client.

We may aggregate our employee trades with client transactions where possible and when compliant with our duty to seek best execution for our clients. In these instances, participating clients will receive an average share price and transaction costs will be shared equally and on a pro-rata basis. In the instances where there is a partial fill of a particular batched order, we will allocate all purchases pro-rata, with each account

paying the average price. Our employee accounts will be excluded in the pro-rata allocation.

As these situations represent actual or potential conflicts of interest to our clients, we have established the following policies and procedures for implementing our firm's Code of Ethics, to ensure our firm complies with its regulatory obligations and provides our clients and potential clients with full and fair disclosure of such conflicts of interest:

1. No principal or employee of our firm may put his or her own interest above the interest of an advisory client.
2. No principal or employee of our firm may buy or sell securities for their personal portfolio(s) where their decision is a result of information received as a result of his or her employment unless the information is also available to the investing public.
3. We have established procedures for the maintenance of all required books and records.
4. All of our principals and employees must act in accordance with all applicable Federal and State regulations governing registered investment advisory practices.
5. We require delivery and acknowledgement of the Code of Ethics by each supervised person of our firm.
6. We have established policies requiring the reporting of Code of Ethics violations to our senior management.
7. Any individual who violates any of the above restrictions may be subject to termination.

Item 12 BROKERAGE PRACTICES

ShankerValleau Wealth Advisors, Inc. requires that it be provided with written authority to determine the custodian to use for client transactions and the fees that will be charged for these transactions.

Clients must include any limitations on this discretionary authority in this written authority statement. Clients may amend these limitations as required. Such amendments must be provided to us in writing.

In addition to compensating the firm for portfolio management and other services to clients, the wrap fees clients pay the firm also allow us to pay the Custodian for the brokerage services it provides to clients. The fees the firm pays the Custodian consist of fees that would otherwise be charged to clients. These fees may include (a) account fees, (b) flat dollar per trade fees, (c) transaction-based fees imposed on the Custodian by regulatory organizations and exchanges and (d) fees to offset processing costs incurred by the Custodian.

ShankerValleau Wealth Advisors, Inc. will utilize block trades where possible. This blocking of trades permits the trading of aggregate blocks of securities composed of assets from multiple client accounts.

ShankerValleau Wealth Advisors, Inc.'s block trading policy and procedures are as follows:

- 1) Transactions for any client account may not be aggregated for execution if the practice is prohibited by or inconsistent with the client's advisory agreement with ShankerValleau Wealth Advisors, Inc., or our firm's order allocation policy.
- 2) The trading desk in concert with the portfolio manager must determine that the purchase or sale of the particular security involved is appropriate for the client and consistent with the client's investment objectives and with any investment guidelines or restrictions applicable to the client's account.
- 3) The portfolio manager must reasonably believe that the order aggregation will benefit the client, and will enable ShankerValleau Wealth Advisors, Inc. to seek best execution for each client participating in the aggregated order. This requires a good faith judgment at the time the order is placed for the execution. It does not mean that the determination made in advance of the transaction must always prove to have been correct in the light of a "20-20 hindsight" perspective. Best execution includes the duty to seek the best quality of execution, as well as the best net price.
- 4) Prior to entry of an aggregated order, a written order ticket must be completed which identifies each client account participating in the order and the proposed allocation of the order, upon completion, to those clients.
- 5) If the order cannot be executed in full at the same price or time, the securities actually purchased or sold by the close of each business day must be allocated pro rata among the participating client accounts in accordance with the initial order ticket or other written statement of allocation. However, adjustments to this pro rata allocation may be made to participating client accounts in accordance with the initial order ticket or other written statement of allocation. Furthermore, adjustments to this pro rata allocation may be made to avoid having odd amounts of shares held in any client account, or to avoid excessive ticket charges in smaller accounts.
- 6) Generally, each client that participates in the aggregated order must do so at the average price for all separate transactions made to fill the order and must share in any transaction costs on a pro rata basis in proportion to the client's participation. Under the client's agreement with the custodian/broker, transaction costs may be based on the number of shares traded for each client.
- 7) If the order will be allocated in a manner other than that stated in the initial statement of allocation, a written explanation of the change must be provided to and approved by the Chief Compliance Officer no later than the morning following the execution of the aggregate trade.
- 8) ShankerValleau Wealth Advisors, Inc.'s client account records separately reflect, for each account in which the aggregated transaction occurred, the securities which are held by, and bought and sold for, that account.
- 9) Funds and securities for aggregated orders are clearly identified on ShankerValleau Wealth Advisors, Inc.'s records and to the broker-dealers or other intermediaries handling the transactions, by the appropriate account numbers for each participating client.
- 10) No client or account will be favored over another.
- 11) If a trade error occurs, the client will be notified in writing of the error, along with the

steps taken to correct that error and make the client whole. ShankerValleau is not entitled to retain any gains due to trade errors. Any trade error gains will automatically be swept to a designated custodian error account each business day and the proceeds will be donated to charity.

ShankerValleau Wealth Advisors, Inc. participates in the institutional customer program offered by TD Ameritrade Institutional. TD Ameritrade Institutional ("Custodian"), is a Division of TD Ameritrade, Inc., a member of FINRA/SIPC. TD Ameritrade, Inc. is an affiliated subsidiary of TD Ameritrade Holding Corporation. TD Ameritrade Holding Corporation is a wholly owned subsidiary of The Charles Schwab Corporation.

The custodian offers services to independent investment advisers which include custody of securities, trade execution, clearance and settlement of transactions. ShankerValleau Wealth Advisors, Inc. receives some benefits from TD Ameritrade through our participation in the program.

ShankerValleau Wealth Advisors, Inc. participates in TD Ameritrade's Institutional customer program and we may require clients to maintain accounts with the custodian and brokerage services. There is no direct link between our firm's participation in the program and the investment advice we give to our clients, although we receive economic benefits through our participation in the program that are typically not available to the custodians retail investors.

These benefits include the following products and services (provided without cost or at a discount): duplicate client statements and confirmations; research related products and tools; consulting services access to a trading desk serving adviser participants; access to block trading (which provides the ability to aggregate securities transactions for execution and then allocate the appropriate shares to client accounts); the ability to have advisory fees deducted directly from client accounts; access to an electronic communications network for client order entry and account information; access to securities with no transaction fees and to certain Institutional money managers; and discounts on compliance, marketing, research, technology, and practice management products or services provided to ShankerValleau Wealth Advisors, Inc. by third party vendors. The custodian may also pay for meal expenses for ShankerValleau Wealth Advisors, Inc.'s personnel while attending conferences or meetings relating to the custodians adviser custody and brokerage services.

Some of the products and services made available by the custodian through the program may benefit ShankerValleau Wealth Advisors, Inc. but may not benefit our client accounts. These products or services may assist us in managing and administering client accounts, including accounts not maintained by the custodian. Other services made available by the custodian are intended to help us manage and further develop our business enterprise. The benefits received by ShankerValleau Wealth Advisors, Inc. through participation in the program do not depend on the amount of brokerage transactions directed to the custodian. Clients should be aware, however, that the receipt of economic benefits by ShankerValleau Wealth Advisors, Inc. or our related persons in and of itself creates a potential conflict of interest and may indirectly influence our choice of custodian and brokerage services.

ShankerValleau Wealth Advisors, Inc., consequently, may have an incentive to

recommend to our clients that the assets under management by us be held in custody with TD Ameritrade and to place transactions for client accounts with TD Ameritrade.

ShankerValleau Wealth Advisors, Inc.'s receipt of Additional Services does not diminish our duty to act in the best interests of our clients, including seeking best execution of trades for client accounts.

PENDING INTEGRATION OF TD AMERITRADE AND CHARLES SCHWAB CORPORATION

On October 6, 2020, the Charles Schwab Corporation completed its acquisition of TD Ameritrade, Inc. It is expected that the Charles Schwab Corporation will convert TD Ameritrade accounts to Charles Schwab accounts in September 2023. Therefore, it is expected that our clients will begin receiving account statements from the Charles Schwab Corporation for the month of September 2023.

Item 13 REVIEW OF ACCOUNTS

INVESTMENT SUPERVISORY SERVICES INDIVIDUAL PORTFOLIO MANAGEMENT

REVIEWS: While the underlying securities within Individual Portfolio Management Services accounts are continually monitored, these accounts are reviewed at least quarterly. Accounts are reviewed in the context of each client's stated investment objectives and guidelines. More frequent reviews may be triggered by material changes in the client's individual circumstances.

REPORTS: In addition to the monthly statements and confirmations of transactions that clients receive from their custodian, we provide quarterly reports summarizing account performance, balances and holdings.

Item 14 CLIENT REFERRALS AND OTHER COMPENSATION

ShankerValleau Wealth Advisors, Inc. reserves the right to pay authorized persons a portion of Client's fee in return for having referred such client to Adviser. In such instances, Adviser will inform Client of such an agreement prior to the establishment of an advisory relationship in accordance with the Investment Adviser Act of 1940.

It is ShankerValleau Wealth Advisors, Inc.'s policy not to accept or allow our related persons to accept any form of compensation, including cash, sales awards or other prizes, from a non-client in conjunction with the advisory services we provide to our clients.

Item 15 CUSTODY

You receive at least quarterly statements from the qualified custodian that holds and maintains your financial securities. ShankerValleau Wealth Advisors, Inc. urges you to carefully review such statements and compare such official custodial reports to the reports that we provide. If your reports vary from custodial statements based on accounting procedures, reporting dates or valuation methodologies, we can provide a

reconciliation of the differences.

We previously disclosed in the "Fees and Compensation" section (Item 5) of this Brochure that our firm directly debits advisory fees from client accounts.

As part of this billing process, the client's custodian is advised of the amount of the fee to be deducted from that client's account. On at least a quarterly basis, the custodian is required to send to the client a statement showing all transactions within the account during the reporting period.

Because the custodian does not calculate the amount of the fee to be deducted, it is important for clients to carefully review their custodial statements to verify the accuracy of the calculation, among other items. Clients should contact us directly if they believe that there may be an error in their statement.

Our firm does not have actual or constructive custody of client accounts.

Item 16 INVESTMENT DISCRETION

Clients hire us to provide discretionary asset management services, in which case we place trades in a client's account without contacting the client prior to each trade to obtain the client's permission.

Our discretionary authority includes the ability to do the following without contacting the client:

- Determine the security to buy or sell; and/or
- Determine the amount of the security to buy or sell

Clients give us discretionary authority when they sign a discretionary agreement with our firm and may limit this authority by giving us written instructions. Clients may also amend such limitations by once again providing us with written instructions.

Item 17 VOTING CLIENT SECURITIES

We vote proxies on behalf of clients; however, you always have the right to vote proxies yourself. You may exercise this right by instructing your custodian in writing to not allow ShankerValleau Wealth Advisors, Inc. to vote proxies in your account.

We will vote proxies in the best interests of our clients and in accordance with our established policies and procedures. Our firm will retain all proxy voting books and records for the requisite period of time, including a copy of each proxy statement received, a record of each vote cast, a copy of any document created by us that was material to making a decision how to vote proxies, and a copy of each written client request for information on how the adviser voted proxies.

Clients may obtain a copy of our complete proxy voting policies and procedures by contacting John D. Valleau, Jr. by telephone, email, or in writing. Clients may request, in writing, information on how proxies for his/her shares were voted. If any client requests a copy of our complete proxy policies and procedures or how we voted proxies for his/her account(s), we will promptly provide such information to the client.

We will neither advise nor act on behalf of the client in legal proceedings involving companies whose securities are held in the client's account(s), including, but not limited to, the filing of "Proofs of Claim" in class action settlements. If desired, clients may direct us to transmit copies of class action notices to the client or a third party. Upon such direction, we will make commercially reasonable efforts to forward such notices in a timely manner.

With respect to ERISA accounts, we will vote proxies unless the plan documents specifically reserve the plan sponsor's right to vote proxies.

We vote proxies for most, but not all of our clients. Clients may, at their election, choose to receive proxies related to their own accounts, in which case we may consult with clients as requested.

Item 18 FINANCIAL INFORMATION

ShankerValleau Wealth Advisors, Inc. has no additional financial circumstances to report.

Under no circumstances do we require or solicit payment of fees in excess of \$1,200 per client more than six months in advance of services rendered. Therefore, we are not required to include a financial statement.

ShankerValleau Wealth Advisors, Inc. has not been the subject of a bankruptcy petition at any time.
